For Fortnite questions, please reference the Fortnite FAQ page or contact Fortnite support at fortnitehelp.epicgames.com We've detected that JavaScript is disabled in this browser. Please enable JavaScript or switch to a supported browser to continue using twitter.com. You can see a list of supported browsers in our Help Center. Help Center This goes without saying, Fortnite never ceases to amaze when it comes to entertaining its players. After all, Fortnite cosmetics have been one of the hottest in-game purchases for the company. Users can easily shop for these products using V-Bucks right at GameStop. This time around, Fortnite introduced its first Indian emote known as the 'Bhangra Boogie' in association with OnePlus, based on the traditional Punjabi dance. So, in this article, we are going to discuss how you can get the Bhangra Boogie Emote for your game. How to Get Bhangra Boogie Emote for OnePlus devices? For all the OnePlus users, follow through the steps down below to obtain the Bhangra Boogie emote completely for free. Simply log in to your OnePlus account on your smartphone Find the IMEI number and PCBA number of your smartphone Once you have acquired the numbers, go to this link to verify them Now, head over to the official website of Fortnite and redeem your code Once you have followed through the steps, you can find the Bhangra Boogie emote sitting right on your Fortnite account. Bhangra Boogie Emote for Non-OnePlus Devices There are instances where you might not have any OnePlus device to redeem the code. That doesn't mean you should get your morals down just yet. Here are some of the other ways to redeem your code. How to get Bhangra Boogie Codes? 1. Use Any Code Generator Code Generators are by far one of the most common ways to redeem any emote for Fortnite. The process is kept barely simple as well. Head over to the website, generate your code, and Viola! Redeem your code on the Fortnite Official Website. There are many remote code generators on the internet but there are lots of fake and scam generators solely made for phishing or completing CPA offers scam, so we recommend staying away from these types of code generators. 2. Purchase Emote Codes Online While code generators are a hit and trial, with no certainty to get them working, there's another way around as well. On the contrary, there are some online stores where you can get emote codes at dead cheap. Here are some of the most commonly used marketplaces to buy Fortnite codes: The Bottom Line The introduction of the Bhangra Boogie emotes ensures that Fortnite is made a substantial user base among the Indian audience. While this emote is completely free to obtain for OnePlus devices, it might still require some workaround for other devices. So let us know in the comment section below, how your gameplay turned out. OnePlus has announced an exclusive Fortnite emote known as 'Bhangra boogie Emote' for its customers. The OnePlus Fortnite Bhangra Boogie Emote Codes relies on a standard Indian dance type known as 'Bhangra'. Earlier OnePlus had partnered with Epic Games to bring 90 FPS Fortnite recreation expertise to its users. Smartphone provider OnePlus who had combined up with Epic Games many months back to be the first-ever device with their OnePlus 8 series to produce 90 FPS (frames per second) Fortnite play expertise, has currently free an OnePlus device exclusive 'OnePlus Fortnite Bhangra Boogie Emote Codes' OnePlus Fortnite Code OnePlus recently proclaimed an exclusive OnePlus Fortnite Code for all its users known as 'Bhangra Boogie Emote'. The dance emote that relies on a conventional Indian dance kind known as Bhangra that originates from Punjab, witnesses a user's character do 'Bhangra' whereas Punjabi beats play within the background. The sick dance moves shown by the OnePlus Fortnite Bhangra Boogie Emote Codes could be an immense part of South Asian popular culture. It's a awfully common dance kind in India that is additionally massively well-liked worldwide and typically goes alongside upbeat Punjabi music, as bestowed with this emote yet. As The Bhangra Boogie Emote In Fortnite is limited to OnePlus players only there are some restrictions as anyone using the OnePlus One, OnePlus 2, and OnePlus X don't qualify for this supply. But because the redemption provide continues to be happening all people who are eligible for this offer will follow these steps to redeem the 'Bhangra Boogie Emote': \* Users got to sign into their individual OnePlus accounts on their devices. \* The users then got to realize their IMEI range (Dial \*#06#) and PCBA range (Dial \*#888#), severally. These numbers are needed for verification functions by OnePlus before granting users their 'Bhangra Boogie Emote' code. \* Users will click here or visit OnePlus's web site to assert their emote code. \* For the ultimate step, users will click here or visit Fortnite's website to enter their emote code and redeem the emote. Which is able to then be accessible within the user's Locker inside Fortnite. Only one emote will be saved per device and there's no expiration date related to it. The most effective factor concerning the emote is that it's accessible to be used across all platforms like Xbox One, PlayStation four, and more. OnePlus Fortnite Emote The OnePlus devices came with Fortnite emote a few months ago when this smartphone manufacturer had come in alliance with Epic Games to become the primary smartphone to run Fortnite at 90 FPS. Pete Lau, corporate executive and founder of OnePlus had at the time aforementioned that "The OnePlus 8 Series delivers a swish, high frame rate gameplay expertise - that even recent generation console game systems can't compare."
